

Hello, my name is Rockwell Dalzell but most people call me Rocket. I am 14 years old and I live in Ventura, CA. Some of my hobbies consist of snowboarding, going to the beach/swimming, and working out. I play competitive soccer, football, and baseball as my main sports. I've been playing soccer for 8 years, football for 2 years, and baseball for 2 years.

I am pursuing acting professionally because I'm in love with performing, and I have been taught to follow my passion. Performing and acting in front of an audience gives me a sense of purpose in that I can play a part in people's moods and emotions whether it's to make them laugh or cry or brighten up their day in some way. Or even if they didn't enjoy my performance, at least they know what they like and not like in a show or a performer. If I can bring some sort of joy or escape or a teachable moment to people while watching me perform, that makes me happy.
