

My name is Jeremiah Henry. I'm 17, raised in New York and have lived in Florida almost my whole life. I want to be in the entertainment industry because honestly, it's not for money or fame. I genuinely like the feeling of being someone I'm not. Like the feeling of being anything like a power ranger on tv has just always been a dream to me since I was 6 when I auditioned for the first time. I never found acting as a job, I found it more as a hobby. I love to edit other Actors in my spare time so a dream I planned on accomplishing is getting to edit my own self from whatever scene I play in the future.
