My name is Raegan Harper, and I am 9 years old. I have always loved being creative, whether it's through drawing, painting, or writing my own stories. I've found that acting is the best way for me to express my emotions and bring my stories to life. I really enjoy becoming different characters and sharing their feelings with the audience. Acting feels natural to me, and it's something that I find both fun and exciting. I also love spending time with my family and friends, and they often inspire me with new ideas for my performances.

In addition to acting, I have a big passion for fashion and love to pose for photos. I enjoy putting together outfits that show off my style and personality. I also love making people laugh and entertaining them, whether it's through acting or just being myself. There's nothing better than seeing someone smile because of something I did or said. I would love the chance to be in a commercial, movie, or TV show, where I can share my love for acting, fashion, and creativity with even more people. Thank you for considering me for any opportunity!
