

To Whom it May Concern:

Hi! My name is Olivia Goergen and I am so excited to seek representation to pursue a career in modeling and acting. I can see myself working in this industry because I am outgoing and fun and love making people laugh and smile. I feel that I have a unique look and attitude. While I know this is not an easy path I feel as though I have the grit and determination to be successful in this type of work. I love to travel and meet new people and am excited to be a part of any type of project that will help me improve my chances of success. I am so excited to meet new people and try new experiences to help me succeed. I look forward to meeting with representation that can make that happen for me!
