

# Percy Wilson

Percy Wilson is a 5 year old boy who is very outgoing and full of life! Percy is an only child who lives with his mom and 3 cats! Percy loves animals! He loves to stay active and play jokes. He also enjoys many movies and cartoons! Percy has a spectacular memory and vocabulary for his age. Percy also comes with a lot of fun personality. His smile is infectious just as much as his laugh. Percy signed up with Talent Auditions and has taken the classes they offer. He was offered the opportunity to go to IPOP after the showcase but unfortunately was out of his family's budget.

Percy has a dream of being an actor. He thinks it would be “soo super amazing” if he could be in movies and shows like the one he watches. Percy knows what he wants and will let you know what’s on his mind. His mom wants to support him in whatever his dream is and show everyone that kids like him are full of talent and can achieve their dreams. We would love for you to join Team Percy!
