

Isabelle (Izzie) Laur

Hello, my name is Izzie. I am a passionate and expressive girl who loves to make people smile. I work hard and enjoy being challenged. I'm very good at memorizing lines – I even memorize my favorite actor's lines in the tv shows I watch so I can perform along with them!

My family is very supportive and enjoys watching me participate in all of my activities. I love to play soccer, swim in our lake, and cheerlead! My favorite activity is dance. I have been taking dance lessons since I was 3. I love to do ballet, acro, and I just started hip hop. I love performing on stage in our recital every year, and sometimes I even add a few of my own moves!

I love being front and center and enjoying entertaining an audience. I'm looking forward to get out there and have fun!
