I am writing to express my interest in finding a representative.

I have been passionate about performing since I was a kid. In the afternoons after school, I continued to nurture my passion by taking classes and performing in local productions. I want to develop a strong understanding of the industry and understand what it takes to be a successful actor.

I have excellent communication skills and am able to effectively convey a character's emotions. I am also able to take direction well and I am always willing to take on new challenges. I am also extremely dedicated and have a great work ethic.

I am confident that I would be an excellent addition to any team.

Thank you for your time and consideration.

Sincerely,
Emma Hidalgo
