SPECIAL SKILLS

I am a youth group leader for SunServe LGBTQ+ youth services. I am in the process of learning German, and always in the process of practicing my singing skills. I am a high school student in the digital arts magnet program, with a weighted GPA of 3.7 and unweighted GPA of 3.2.

PERSONAL INTERESTS

In my spare time, I enjoy singing, drawing, and fashion. I also enjoy listening to music, and memorizing movie clips, or videos. I often pretend that I am a character in my circumstances and enjoy acting out the songs and clips/videos I am listening to. For instance, I love running in the parts of songs where it feels like the character should be running; and pretend there are characters interacting with one another. Music has really shaped me as a person, with fashion more recently becoming my passion. Fashion has helped me grow as a person and allowed me to express who I am. My favorite styles are fantasy, Lolita, cottage core, fairy core, goth, alternative, royalty, and vintage styles (i.e. 1700–1800). I feel comfortable and confident in these styles; and enjoy the performance aspects of dressing for the part.
