

**Hello Sir or Madam,**

**My name is Macy Grace Hunt and I am 10 years old. I was born in Nashville, TN and now live with my family in Palm Bay, FL. I am in the 4<sup>th</sup> grade, a straight A student in the gifted program and also enjoy being part of the running club at school. I have one sister who is 12. I know my mom would want me to say she is my best friend, but if you have a sister you probably know that we pick at each other about everything.**

**I am very interested in being in the acting industry because I think that it would be a fun job....a lot of work, but definitely fun. I don't want to have to wait to work until I am 15 or 16 like you do in other industries as I am ready to work now. My sister and mom enjoy playing volleyball, but that doesn't interest me so I think acting will also allow me to show a lot of emotion and be able to express myself in ways that I cannot do elsewhere. Acting fits my personality well and I have a lot to offer to someone willing to give me the opportunity. Acting will challenge me and I have a personality that likes to be challenged and I am not afraid of hard work.**

**I am really excited to meet you when you have the time to speak with me.**

**Thank you for your time,**

**Macy Hunt**
