Hello, my name is Kraven and I'm 11 years old. I live in Menomonee Falls, Wisconsin. I am going into the 6th grade this year and will be learning how to play the baritone.

I want to be in the entertainment industry because I have stories I make up in my head that I think of, and I can act them out myself sometimes. I am already a model and am walking in Paris for fashion week. I want to continue being a model because I can show my attitude and be myself when walking for designers. I can also honor my mom's death and be the woman she would have wanted me to be and not let anything people say hold me back!
