

My name is Kiana Morgret, I'm 13 years old, and I'm from Cumberland, MD. I played soccer for the past 9 years of my life and danced for the same amount of time. I've always been involved in something for as long as I can remember, because I think that's a requirement in my family. I am the youngest of 3 girls, and we are all very close even though we have a big age difference. My oldest sister will be 27 this year, but I have always looked up to her. I think she looks up to me too, in some way. I am my middle sister's biggest fan. Yeah, I guess you could say that we are close.

I want to be in the entertainment industry and have for as long as I can remember. I am most interested in modeling, but I am open to other things. I have always been told that I am the comedian of the family and quick witted. When I was around 7 years old, my dance studio had a runway modeling show at our mall, and I loved it. Since participating in acting activities, I've also gained interest in doing commercials and acting. I feel like it comes natural for me, and I look forward to what is to come!
