To Talent Agents and Managers,

I am sure that my acting experience and skills will prove to be a great asset to your company. I have enclosed my resume for more details about my acting and modeling experience.

I am an alumnus of Talent Auditions, and have been selected to attend iPop in June 2024. I have been working hard on my acting skills and modeling in hopes to further my career. I love to act because I can portray a variety of different characters!

I am confident that my acting skills and talent will be a right match for you. I have a great work ethic and bring high energy to all of my auditions and workshops.

Thank you for taking the time to read my resume, and I hope to meet you soon.

Thank you for your time and consideration.

Sincerely,
