Let me tell you about who I am. I am a kind, funny, and energetic girl who does anything she puts her mind to. I am a career competitive dancer and gymnast who has won many medals for my outstanding performances. I enjoy making Tik Tok videos and doing challenges. It allows me to show my goofy side while trying to become an entertainer. I am also fashionista who likes to show off her sassy personality in the clothes she wears. It helps me to stand out and show how unique I am.

Let me tell you a little bit about why I want to be in the entertainment industry, starting out with becoming an actress. I would love to see myself on the television. It is something I have always wanted. I have thought about being the girl who would play in the shows or movies who solve mysteries or go to summer camp and learn how to survive, fish, and make friends all while sitting around the campfire telling stories. Becoming an actress would be amazing. I would allow me to shine and express myself all while doing what I love and showing anyone that you can do whatever you put your mind to as long as you never give up.

Sincerely,

Kailey Johnson
