

INTERNATIONAL PRESENTATION OF PERFORMERS

Hi, I'm Nakeli Usher. I've been invited to audition and perform with Talent Auditions for an acting career in the entertainment world. Over weeks of time I have gotten three call backs to further my career. Finally for my last big showcase for some top agents with talent auditions I had gotten a major opportunity call back from IPOP!'s director. I was so excited,I couldn't have been any happier to know that I got another chance to become a star and act in front of many agents at the International presentation of performers! In this entertainment world I get to play many different personalities and it's fun and interesting. During my auditions I got to meet many different people and in the entertainment world I can't wait to meet new friends and act with some of the most famous actors. IPOP is a great opportunity for me to achieve great success and gain more experience from (acting, modeling, dance, singing, and casting agents) from all over. Not only would it be a great experience but I would meet a lot of new friends and maybe some of my favorite celebrities. IPOP could be the next biggest story of my life and with your support you can be a part of my journey of becoming the next star.

Thank you for the support

Sincerely,

Nakeli Usher
