Child Actor

February 26, 2024

Dear Sirs,

Learning upon your requirements for a Child Actor in your next assignment, I geared up to submit this resume for your kind reference on behalf of my daughter named above. I am sure that her acting experience and skills will prove to be a great asset to your show. I have enclosed her resume for more details about her educational background training experience.

Elliana has a vibrant and outspoken character. She is fun, inquisitive and loves to entertain and be the centre of attention. Elliana has taken up a huge range of classes to improve her acting abilities and enhance her career. She is not your typical 5 year old. She has the ability to learn and memorise her monologues fast.

I am confident that her acting skills and talent will be a right match for the Child Actor role. Thank you for taking the time to read my resume, and I am expecting to meet you soon in person.

Thank you for your time and consideration

Sincerely,

Anesha Smallbone (On Behalf Elliana Gibbs- Mckayle)
