

## Cover Letter

I'm Madelyn, I am a nine year old student in 3rd grade who loves school and excels academically. I am very social, outgoing and have tons of friends. I love animals, especially my chameleon, Rango. In my free time I love drawing, reading, and playing my keyboard.

I have dreamed of being an actress since I can remember. I love to perform for my parents, or anyone watching. I watch a lot of kids t.v. shows and commercials, and dream of being on the screen myself. I am a very hard worker and I have the ambition, positive attitude, and work ethic to be a great actor!
