I want to be an actor because I want to see myself on TV and I love to make people laugh. I think it would be the best job to get to portray different characters. The possibility of traveling to various places and meeting lots of new people is exciting. I am confident in my adaptability and have great memorization skills. I am often complimented by coaches and teachers for my ability to follow directions. I am going to keep a smile on my face and learn from every experience that comes my way along this wonderful journey

Thank you for the opportunity,

Messiah Osuorah
