

Greetings,

I am Katrina Card, and I'm writing to seek representation in the acting and modeling industries. I have no working experience as of this time; however, I was chosen through auditions to participate in the 2024 International Presentation of Performers, and trained with celebrity coaches through Talent Auditions, in August 2023. I will be training one on one with a coach again, starting in January 2024.

Please take a moment to review my information. If you think I would be a good fit for your agency and would like to schedule an interview, you can contact my mom, Tira Card, at tirawallace@gmail.com or at (412) 722-2401. I look forward to connecting with you soon.

Sincerely,

Katrina Card
