Hello, my name is Aniah Westfall, the very energetic, kind, loving and honest kid parents love. I may be shy at first but once you get to know me better I am one crazy kid. The daredevil of the group, the one who wants to do everything and be the best at it. Ambition is my personality, allowance wasn't enough so I started a neighborhood business and now I'm shooting to be a Star.

I don't want to be just an actress, I want to do it all! I want to bring smiles to everyone I meet and those I'll never get the pleasure of meeting. My parents say I'm a good role model for my older sisters, so I want to be a role model for girls all over the world. Through acting I will be able to show many girls that anything is possible with a dream, hard work, and dedication. Acting just feels natural to me and I feel I can express so much. I am very excited about this new chapter in my life and I look forward to all the new adventures and people and places I will see.

Sincerely,
Aniah Westfall
