My name is Averie and I am 11 years old. I want to be in the entertainment industry because when I was a very little girl my mother would tell me stories of when she sang, acted, and danced in shows and I could always see how much she loved it. My mom inspired me to start acting and ever since I've tried it, I've loved every second! My mom always tells us to do what we love and love what we do - this is what I love to do!

I love music, but Broadway musicals like Hamilton and Jekyll & Hyde have been my most recent obsessions/inspirations.

When I'm not in school, I am at dance classes (ballet, tap, and jazz) or Krav Maga (Israeli military self defense). In my free time I enjoy challenging myself. Sometimes it's about acting, teaching myself to play a song on the piano, or increasing my flexibility and strength (like ninja camp and climbing things). I love learning and trying new things. I love to have fun and make people laugh. I'm not afraid of being silly and I really enjoy pranking people, usually as a character from a movie or one that I've made up.

I am so excited to have the chance to have a career doing something I love.
