Hello, my name is Camilla Smith, I'm 5 years old and live in Daly City, California.

I'm in kindergarten and I love going to school to see all my friends. Art is my favorite subject and of course recess is the best part of the day. I love playing outside on the playground or playing tag.

My other interests are playing restaurant with my baby sister and mom in my play kitchen, playing roblox or other iPad games and watching kids youtube. I played T-ball for one season and I was good at it! I had fun playing but I didn't want to play another season, I wanted to try something different.

Watching all the kids on youtube go on adventures or make silly videos made me want to join the Talent Auditions showcase. I want to have my own youtube channel with a million subscribers and make other kids happy! Modeling and acting also sounds fun because I love being in front of the camera and being creative.
