Dear Casting Director,

Looking for a hardworking and enthusiastic child actress? Well, look no further, because I'm your girl. I am ready for the job and will make an excellent contribution to your project.

I have always been a super quick learner and I learn my lines quickly. Also, I am willing and able to take instruction and to incorporate feedback when given. I desire to be in the entertainment industry, because I love to put on a show for others and make people smile and laugh. I want to bring joy to people in the same way that my favorite actresses do for me.

I look forward to speaking with you very soon to discuss the details of the role. I am submitting my headshot and resume for your consideration, please contact me via the attached phone number or email address at your earliest convenience. Thank you for your time and consideration.

Sincerely,

Ja'riya Cole
