Dear Agent or Producer,

I am writing to express my enthusiasm in acting and modeling. I am a talented and charismatic little girl who possesses a natural charm that lights up any room. I have already demonstrated my acting abilities in a video for a local nonprofit, where I portrayed a young child filled with excitement upon receiving a book. This experience has further ignited my passion for the craft. I have undergone training to enhance my acting skills, completing courses in Basic Acting Principles, Improvisation, Audition Techniques, Monologue Preparation, and Agent Showcase Preparation. These workshops, led by renowned instructors such as Ryan Kelley, Ashlee Brian, Philip Galinsky and Larry VanBuren Jr., have equipped me with a solid foundation in the art of acting.

Furthermore, I have also developed dance skills, including Ballet, Jazz, and Tap for the past three years. Beyond my acting and dance abilities, I have several special skills that enhance my versatility as a performer. I am an active member of my school's intramural cheerleading team, a member of the children's choir at church, and beginning to take vocal coaching and swim lessons. Additionally, I excel in public speaking, mimicking, and role-playing, reflecting my ability to adapt to various situations. I am an honor roll student who loves to learn. My personal hobbies and interests include mermaids, princesses, gardening, animals, fashion, roller skating, crafting, music, baking and outdoor play which contribute to my creativity and ability to bring characters to life.

Ultimately, I am a dedicated young girl who approaches each opportunity with enthusiasm. I have a huge imagination and wholeheartedly believe that I can do anything I set my mind to do. Thank you for your consideration. I look forward to the possibility of working with you.
