To Whom It May Concern,

Hello! My name is Nathan Louis Fincham and I am an aspiring child actor, looking to get in to the acting industry.

I have been acting for 3 years now. In 2021, I was given one of the lead roles in musical that I performed in with my school classmates. I had so much fun rehearsing and performing. After my performances of that, I realized that I had a God-given talent and want to continue to act and entertain others.

I have three years of experience in acting. I have also taken online classes through Talent Auditions to help me improve my acting abilities. I also have taken two years of jazz dance and one year of hip-hop dancing.

To further my career, I want get more exposure in the entertainment industry by taking more acting classes and finding auditions in my area. I can see myself acting now on a network like Disney or Nickelodeon because a lot of the shows I have watched on those networks have comedy in them and I prefer to do comedy acting, although I am open to dramatic acting, as well. I am confident that we will be an excellent match as client and agent.

On a personal note, I am currently in the 5th grade and, besides recess, I enjoy history and math in school. I play soccer year-round and basketball in the winter. I am also a junior baseball umpire, umpiring little league recreational baseball games. Other activities I enjoy doing are writing, drawing, singing, dancing, playing chess, playing football in the backyard with my dad, swimming, and running.

Thank you for your time and consideration. I look forward to discussing about future opportunities to work with you.

Sincerely,

Nathan Louis Fincham
