## SPECIAL SKILLS

I play baseball, football, and basketball for Rockford Public Schools. I am in first grade in the Spanish Immersion program at Roguewood Elementary. Although English is my native language, everything I do at school is in Spanish. I will speak Spanish fluently in 2025.

## PERSONAL INTERESTS

I enjoy downhill skiing, water sports, and honing my skills for the position of First Mate on the *Angelina*, where my family spends the summer. I enjoy traveling, swimming, and playing with my friends and family! In my spare time, I immerse myself in creating miniature movie scenes with my toy guys, sparking my creativity and imagination. Additionally, I take the stage indulging in impromptu performances of songs and dances, often reenacting scenes from 'The Greatest Showman.'
