

Hello, my name is Noah Seale and I am 10 years old. I was born in San Antonio Texas but now live in Pendleton Indiana. I am currently in the high ability program for 4th graders; yes I am a smarty pants 😊 I am one of 4 kids and would love to be able to be an actor one day. My interest in acting started around 4 years ago when I started to mimic actors and question how they got to be on T.V. I watched shows like Bunked, Alex and Katie, Wednesday and many more and knew that I too could be like them. With acting, I get the opportunity to get out of my reality and pretend to be someone else for a while. I have the passion, drive, grit and determination to make it happen.

I have also enjoyed my acting classes along with the games and activities that we learn to do. I like to draw and do many crafts and art related things like painting, drawing, sketching and many more. My favorite subject in school is math but my best is language arts.
