

Dear Sir/Ma'am,

My name is Sienna Walker. I'm 15 years old and a sophomore in high school. I've wanted to be on the big screen since I discovered movies at age four. I love pushing myself to achieve my next goal. From the time I learned to talk, I always acted things out and danced, etc. Any chance I got to entertain people; I took. Performing was the only thing I did daily, and I still love it as much today, as I did the first day.

I want to be in the industry because I want to be an inspiration for people. I want people to know it's okay to make mistakes because no one is perfect. I want to spread positivity and it is much easier to do that if you have a solid platform. Acting is my dream and I can't imagine myself doing anything else. I will work tirelessly to prove any opportunity given to me was the right decision. Thank you for your consideration.

Respectfully Yours,

Sienna Walker
