

My name is Maggie Gibson, I'm 5 years old and I'm from Vanleer, TN (45 min west of Nashville). I am the youngest of 3 girls, my big sisters are 11 and 12. Me and my sister Preslee make "movies" all the time. She writes the script and videos and I perform. We make movie trailers and it's so fun. I want to do this for real, and not just at home! I am not shy at all! I love to entertain!
