Dear Talent Auditions,

My name is Joshua Cosme, I am 16 years old. I found that I had an interest in fashion and I also enjoyed watching sitcoms. I became interested in modeling and acting about a year and a half ago. I love being in front of a camera wearing fashionable clothing.

I love to dress up formally for special events or to dress casually when I am socializing with friends. I am very particular and conscious of my attire. Focusing on the different levels and aspects of acting and modeling have made me realize that I would be a great candidate for modeling and acting.

Thank you,

Joshua Cosme
