

Dear Agency,

I'm Zarii Long, and I'm writing to seek representation in TV, film, commercial work and modeling. I have recently completed acting classes with a few credited actors. I have been working in the business for about three months, and have been told my timing, character and beauty is impeccable. I'm always carrying positivity and excitement when it comes to learning anything new, and I was referred to you by Talent Auditions. I've recently been working on acting classes alongside my current gymnastics, dance, soccer, and French classes. I think your agency would be a good fit for me because you can help me reach my potential to become a model and an actress.

If you would like to meet or schedule an interview, I can be reached at my Mother's Contact information of (619)860-6688 and dusty.k@hotmail.com. I look forward to connecting soon. Attached, please find my résumé and a link to my acting reel.

Sincerely,

Zarii Long
