TO WHOM IT MAY CONCERN,

My name is Phoenix Renwick and I am 12 years old from Stoney Creek Ontario, Canada. I live with my mother and father and my older brother who is 14. I have a cat a dog and 2 fish. I enjoy spending my free time doing things with my family or friends. My favorite activities include Binge watching shows on Netflix, stranger things and Ginny and Georgia are two of my favorites. I really enjoy playing sports I am on the school volleyball team, track team and will be joining the soccer team. I also volunteer my time for the School Leadership council. I am a very hard worker and maintain good grades and great relationships with my teachers and peers. I also enjoy photography, skin care and make up and making tik toks. Interior design is another passion of mine I am always decorating or painting something new.

For as long as I can remember I have wanted to be an actress, it is my passion and my dream. I remember making a mini movie with my cousin when I was only about 8 years old and we spent weeks writing a script and filming. I want to get into the film/television industry in hopes I can make an impact on diversity and acceptance. I have been bullied for my appearance and race for all my life and I want to prove no matter who you are or where you come from if you have a dream and you work very hard you can achieve anything. Although since as long as I can remember doesn't seem like long for most it feels like a lifetime for me wanting this dream, coming home each day from school asking my parents to help me pursue this, reassuring them this is all that I want and I have proven I am dedicated and work extremely hard for what I want, I have no doubt that I will succeed.

Sincerely,

Phoenix Renwick
