

Dear Hiring Manager,

Enclosed is a photo of my daughter Madelyn. We currently live in the New York area and would like the opportunity to audition for any upcoming modeling jobs or casting calls that you think Madelyn may be right for.

We are open to traveling so feel free to keep us in your file for upcoming projects outside of our area as well. She is a very good student and also has been taking dance classes. We hope to meet you soon.

Thank you for your time and consideration. We can be reached at (845) 239-8477.

Sincerely,

Kayla Busby
